*Live, learn
and gain
professional
experience in
the nation's
capital*

“The AMP Program is not just an internship. You actually learn and practice the things that you talk about in a classroom. It’s completely hands-on. For me, it was a huge learning experience.”

– Rachel Brody, 2011 AMP

Applied Management
Professionals Program

m squared strategies

*AMP up your resume
while working with our
nation's skilled federal
leaders to build a better
government for tomorrow!*

Take advantage of this rare opportunity to connect with other motivated professionals from across the nation and gain valuable experience in Washington, D.C.'s public and private industries!

Applied Management Professionals (AMP) Program

M Squared's AMP Program offers motivated students the experiences they need to identify and pursue fulfilling careers that shape and improve the operations of the U.S. Federal Government.

The AMP Program offers unparalleled opportunities to:

- Apply your academic knowledge and experience to current government challenges
- Enhance your understanding of public service through direct engagement with the federal government
- Contribute to the realization of your assigned government office's mission and goals
- Maintain close interaction with senior federal managers and acquire experience as a valued consultant
- Perform meaningful work and accomplish specific objectives as part of an integrated team
- Advance your professional skills and build your management capabilities as you contribute to significant projects and deliver actionable recommendations
- Develop personal relationships in the Washington, D.C. area with both government and industry professionals

Program Details:

- An application is required. M Squared will conduct interviews at universities across the nation
- Only Masters students with U.S. citizenship are eligible
- The AMP Program runs mid-June to mid-August
- This is a full-time, paid position

M Squared helps you make the most of your summer.

See the sights. Experience some of the nation's most famous sites around the Beltway.

Take advantage of additional mentorship. M Squared matches each AMP with an experienced company staff member. This one-on-one relationship is yours to cultivate according to your professional and personal interests.

Contribute to the corporate growth of a small business. In addition to client delivery, you will work on a project with the entire AMPP class to build a piece of M Squared's corporate structure.

Learn methodologies and tools for sophisticated project analysis. M Squared provides training in key consulting skill areas including business process design, project management and strategic planning.

Network with today's government leaders. M Squared offers the opportunity to learn what it is like to be a government executive and build valuable relationships through our Senior Executive Series.
